To Whom It May Concern,

This is a letter of consent for my daughter Kaia Mhairi Lane, birthdate September 07, 2000 to travel with her aunt Angela Kehoe.

They will be traveling to Spain, France, and Italy between October 05, 2015 through October 20th 2015.

They will be staying at my residence in Spain for part of the trip, but traveling without me, for the other portion, so I wanted to make sure she had a letter in her possession, stating my approval.

Please contact me with any questions,
